

Sentex Gold

Where Innovation Meets Elegance

PRODUCTS CATALOGUE

ABOUT US

Established in 2016, SG Sentex Gold has rapidly become a leading importer and wholesaler of premium hardware products in India.

With years of dedicated experience in the Indian market, we have built a strong reputation as a trusted partner for businesses seeking superior hardware solutions.

We take pride in being recognized as one of the largest PVC Edge Banding manufacturers in India, offering unmatched quality and reliability to meet the evolving needs of our customers.

OUR MISSION

At SG Sentex Gold, our mission is to provide exceptional hardware products that consistently exceed customer expectations. We are committed to fostering long-term relationships with our clients, suppliers, and partners while continuously enhancing our product range and services.

OUR VISION

Our vision is to be recognized as India's most preferred hardware solutions provider, known for outstanding quality, reliability, and customer-centric service.

KITCHEN ACCESSORIES

A modern, minimalist kitchen with dark cabinetry and a curved island. The kitchen is illuminated with warm, ambient lighting, including a glowing yellow light strip along the top of the upper cabinets and a glowing orange light strip along the bottom of the island. The island has a curved, dark countertop with a built-in sink and a modern faucet. A small potted plant sits on the countertop. A black bar stool is visible in the foreground. The overall aesthetic is sleek and contemporary.

BI-FOLD LIFT UP SYSTEM

BI-FOLD LIFT UP SYSTEM

KS2341

Please select the model based on panel height and weight:

- Medium models are suitable only for panel heights between 600 mm and 800 mm.
- Heavy models are recommended only for panel heights between 750 mm and 1,000 mm.

Ensure correct matching of model, height, and weight requirements for optimal performance.

BI-FOLD

Door width : 600-1800mm

Door height : 600-1000mm

Door thickness : 18mm

HARDWARE ACCESSORIES

A collection of various hardware accessories is displayed on a dark, textured surface. The items include several screws of different sizes and colors (blue, silver, black), bolts, nuts, and washers. Some screws have white plastic caps or covers. The hardware is arranged in a scattered manner, with some items standing upright and others lying flat. The lighting is dramatic, highlighting the metallic textures and the different colors of the components.
